Revised Due Dates for Case Mix Index (CMI) Reporting, Cost Report Submissions, and Nursing Facility Assessment Payment Plan Requests

To: Nursing Facilities

In response to the coronavirus disease (COVID-19), the Office of Long-Term Living (OLTL) has revised the due dates for CMI data submissions, CMI certifications, and cost report submissions.

- CMI data submissions and certifications that were previously due March 19 and 20, respectively, are now due on April 9 and 10.

- Cost reports that were previously due April 29 are now due May 29.

As a reminder, payment plan requests for nursing facility assessments for the third and fourth quarters of state fiscal year 2019-20 are due May 1. OLTL will reassess this due date, if needed, as we get further guidance about the status of COVID-19.

OLTL continues to monitor COVID-19 with local, state, and federal partners; participants and participant advocates; providers; and the Community HealthChoices (CHC) managed care organizations. We will notify stakeholders of any further revisions to reporting, submission, and payment due dates as needed.

If you have questions about the revised due dates noted in this message, please contact Daniel Sharar at 717.772.0185 or dsharar@pa.gov.
