

# Make Hosting Webinars Effortless with LeadingAge PA's All-in-One Service

Partner with LeadingAge PA to bring valuable webinars to your members without the hassle of planning or execution. We handle everything—yes, everything—from start to finish. Our comprehensive service ensures you have all the tools, resources, and support you need to deliver professional, engaging webinars that are tailored to your audience.

## Here's how it works:

### We Do the Heavy Lifting

LeadingAge PA takes care of all the logistics, including planning, developing marketing materials, hosting, and troubleshooting.

### You Set the Fee and Keep the Revenue

Simply pay an upfront service fee, set a fee for your members that aligns with their needs and expectations, and keep 100% of the revenue you generate.

### Enjoy the Benefits

Provide exceptional content to your members while we manage the behind-the-scenes details.

This isn't a revenue share—it's a partnership designed to empower your organization. With LeadingAge PA, you're in control of the pricing while we provide the expertise and execution to make your webinars seamless and successful.

Let us handle the work so you can focus on delivering value to your members. Partner with LeadingAge PA today!
