DAY OF EXPLORING

NOV. 16 | FREE FOR ALUMNI | \$20 FOR MEMBERS

Proudly sponsored by
WAGMAN
General Construction | Heavy Civil | Geotechnical

Agenda

8:30 – 8:45	Welcome
8:45 – 10:15	Expert Panel and Video Tours
10:15 – 10:45	Q&A
10:45 – 11:00	Break
11:00 – 11:55	Brainstorming in Breakout Rooms
11:55 – Noon	Closing Remarks

Part One – Expert Panel

An expert panel will discuss varying views regarding the multi-layered facets of memory care - from resident care to workforce to the physical environment. Virtual tours of new innovated memory care sites will be shared.

Part Two – Small Group Work

Attendees will break into small work groups lead by a pre-assigned **SCRIBE**. Attendees will have the opportunity to create conversations and share best practices, ideas, and concepts for memory care. The Scribe will document conversations on an Ideation Form for each group.

Part three – Summation Distribution

After the event, attendees will receive copies of all the documented Ideation Forms in a cohesive digital format.

NO NEED TO BE A CONTENT EXPERT TO BE A SCRIBE!

Lead a Breakout Room by:

- starting topic discussions with pre-determined questions,
- taking notes on a pre-distributed form, and
- sending the completed form after the event is over to Marianne Lake.

Come to one of the 30-minute trainings on either November 8 or November 10 from 1 – 1:30 pm.
