WHY you want to exhibit at the LeadingAge PA Conference – hear it from past exhibitors!

“Participation was strong on both days of the EXPO and everything went very smoothly. Applause all around!”

“...LeadingAge PA is better than most at driving traffic through the EXPO hall.”

“LOVED moving it (networking reception) into the EXPO Hall. Great additional exposure!”

“Very well done. Loved the idea of putting different food at each of the tables within the exhibition area. It forced us all to walk around and mingle. As an exhibitor, it was nice to have another chance to represent at a lower key level. It was fun to chat with folks over a glass of wine/appetizers.”
