CURRICULUM

Fellows in Leadership is an evolving program based on the emerging needs of long-term care leaders.

The program emphasizes self-awareness and relationship building through a variety of education methodologies. Traditional and experiential learning methods are used to create an environment in which Fellows learn from their own experiences, from one another, from the coaches and design team, and from leaders and experts in the field.

Fellows participate in group discussions and exercises, site visits, virtual meetings, meet with leaders in the field, and complete reading and other assignments including a Leadership Presentation.

LIFELONG CONNECTIONS & LEARNING

It's not just what you know, it's who you know!

- Collaborate with a small cohort of emerging leaders alongside an established mentor
- Learn from and interact with industry leaders from across the state
- Connect with past Fellows and LeadingAge PA board members through networking events
- Induction into the exclusive Alumni Council
- Opportunity to be paired with a mentor through the Fellows Mentoring Program

CORE THEMES INCLUDE:

Emotional Intelligence and self-reflection, fostering a good culture and team engagement, strategic thinking, and work/life integration.

HOW TO APPLY:

Apply at LeadingAgePA.org/FIL from May 10, 2024 to July 5, 2024.

Application includes summary of qualifications, leadership essay, two letters of reference, and statement of commitment by applicant and organization.

ELIGIBILITY

The Fellows in Leadership program is available to anyone who works for a LeadingAge PA member, who is currently supervising at least one direct report. It is far more important for potential LeadingAge PA Fellows to demonstrate deep leadership potential within their organizations than it is for them to carry specific job titles. Diversity is a core value of the program.

EVALUATION CRITERIA

Class size is limited. All application submissions will be reviewed to ultimately assemble a diverse class in life experience, leadership roles, geography, type of organization, as well as other unique characteristics. A committee of LeadingAge PA Alumni Council and association staff will evaluate applications based on:

- *How well defined, insightful and introspective are the leadership essays?*
- *How well does the applicant demonstrate a personal commitment to the field of aging services?*
- *To what extent does the applicant possess the leadership capacity needed to become a transformational leader?*

TUITION

- A \$2,500 tuition payment (non-refundable and non-transferable) is required from each LeadingAge PA Fellow's organization. Lodging, travel expenses, and some meals are also paid for by the Fellow's organization. The costs incurred vary depending on the locations of the site visits.
- The tuition fee includes the cost of journals, materials, evaluations, assessments, and some meals during Fellows in Leadership in-person sessions.
- One complimentary day at the 2025 LeadingAge PA Annual Conference.

LeadingAge PA will award one Ron Barth Scholarship for the 2025 Fellows in Leadership program.

If your organization requires financial assistance, be sure to check the box on your application to be considered.

SUBMISSION DEADLINE

Application must be completed online by July 5, 2024.

Applicants will receive notification of their acceptance status by the end of August 2024.
